Aluminium Profile Cutting List

- All Cut Lengths should be provided in millimetres (mm). If more than 10 cuts per Bar of Profile are required, please contact us directly at sales@aluminiumprofile.com.au after placing your Order Online.
- If ordering more than one length of the same profile type, please put the cuts for each Bar of Profile on a separate line of the worksheet.
- Please add more sheets if you run out of space.
- Unless specified, only off cuts greater than 50mm in length will be returned to the customer as part of the order. Please note each Saw Cut will consume approx 5mm of profile- please allow for this in you calculations.
- Cut Profiles are not subject to a Return or Refund for change of mind.
